IMPORTANT INFORMATION

STAFF

All of our motivated and professional staff are carefully selected to ensure they are the ideal candidate to make your students' experience as fun and beneficial as possible. All staff go through extensive training prior to the school tour and are all Garda Vetted, and we have designated first aiders on site at all times. All staff are highly experienced and are all either qualified (or studying to become) teachers or similar professions. There will also be two coordinators present to ensure the safe and efficient running of the school tours.

VENUE

Active Kingdom School Tours now take place in Castleisland Community Centre. This venue boasts a wealth of indoor facilities including large rooms for our Magicians Workshop and Science Lab activities, and a large hall and a number of other hall spaces for our inflatable and team building activities. Due to its extensive indoor space, school tours will go ahead in all weather conditions. The centre is also easily accessible for schools travelling from Cork and Limerick directions, and has ample parking for buses.

TEACHERS SERVICES

Active Kingdom aim to provide a stress free environment for teachers so they can enjoy their day just as much as their students. After being welcomed by Active Kingdom staff, teachers can choose to follow and observe their group participating in the activities or take advantage of the teachers lounge which offers complimentary

Active Kingdom offer a popular 'Best of Both' School Tour Package where students would visit both Active Kingdom and one of Kerry's other popular School Tour attractions all for the price of a full day school tour with Active Kingdom. In addition, Active Kingdom take care of booking the other venue to ease the workload on teachers/schools.

FOLLOWING VENUES:

• When a school is attending a 'Best of Both' School Tour they generally visit the other attraction in the morning and then visit Active Kingdom in the afternoon

FULL DAY ONLY: €28 Early Booking Rate, Normally €30

HALF DAY ONLY: €20 Early Booking Rate, Normally €23

EARLY BOOKINGS MUST BE MADE BY 31ST MARCH TO QUALIFY FOR DISCOUNT

Half Day bookings feature 4 of the 8 activities. The morning half day session runs from 9:30-12:30, and the afternoon half day runs from 1:00-3:30pm. Minimum group numbers apply.

TESTIMONIALS

We had a fantastic day from start to finish, from when we were met off the bus until we went home. The leaders were excellent, they were so good with the kids and really interacted well with them. Thank you so much Active Kingdom for an amazing day!

Teacher, Glengurt NS, Co Limerick

Very professional from start to finish. Well trained and friendly staff. Teachers room was such a nice touch and not the norm which was a lovely surprise. Community Centre is such a nice venue.

Teacher, Fossa NS, Co Kerry

Kids have really enjoyed the day, well laid out and organised making the teachers day very easy also. No improvements needed in my opinion. It is very good value

Teacher, Scoil Aban Naofa, Co Cork

Excellent day! Nice to have magic and science shows. Excellent organisation, staff were efficient, kind and patient. Teachers were well catered for.

Teacher, Gaelscoil Ó Doghair, Co Limerick

Everything was perfect. The staff were so friendly and kind to the pupils. Great value and I love the option of a shorter day for the younger kids. I would definitely recommend to other teachers. Thanks for a great day!

Teacher, Feenagh NS, Co Limerick

FREQUENTLY ASKED QUESTIONS

Do the teachers need to stay with the students?

Our specifically trained leaders meet you and your group at the start of the day and bring them through all of the sessions. We ask that if a student has an SNA for reasons other than academic support that they stay with the group/student until such a time that it is deemed the support is not required anymore. Depending on the school's insurance requirements teachers can choose to either stay with their group or spend time in the teachers lounge or observing other activities.

Do the students need to bring a lunch?

Is there a shop there?

Yes students need to bring a packed lunch, they eat their lunch either in their assigned changing room or on their assigned bleacher seating. There is no shop at the centre so students will be unable to purchase any food/drink so they do not need to bring money to the school tour.

How long are the breaks for students?

The students get a 20-minute small break in the morning and 30-minute lunch break. If required our leaders bring the group in for sporadic water breaks throughout the day.

Is the full day too long for infant classes?

No, we tailor the day for the younger students by integrating some more sedentary sessions into their timetable. Younger students also get a number of short water breaks supervised by their leader throughout the day.

What way are the students split on the day?

Students will stay with their class group for the duration of the day, generally each classroom within the school is allocated their own leader

Will our students be with another school on the day?

No, students stay with their own school class group. There may be other school groups in the center on the same day, but groups have little to no interaction with the other school groups.

Do activities take place indoors or outdoors?

What happens when it rains?

All of our sessions take place within the one centre ensuring the safety of students and efficiency of the school tour. School Tours will go ahead in all weather eventualities.

Do the students need to bring spare clothes?

No, the students' will not get wet or dirty during the school tours. We do ask that they bring a long sleeve top to wear when participating in some of our inflatable activities.

What times can we start and finish our School Tour?

If you book a full day school tour with us, your start and end time is up to you, but it cannot be before 9.30am or later than 3.30pm. If you book the half day school tour, the morning slot runs from 9.30am-12.30pm, and the afternoon slot runs from 1.00-3.30pm

What other attractions do you offer in your Best of Both School Tour?

In our Best of Both School Tours, schools can attend Active Kingdom for half a day, and do 4 of the 8 activities (it is not possible to accommodate individual activity requests here). They will spend the other half of the day visiting another one of the local School Tour attractions such as The Aquadome, Tralee Bay Wetlands, Crag Cave, Kerry County Museum, The Playdium and others. What's more this Best of Both School Tour will cost the same as our own full day School Tour and we look after the booking of the other attraction for you. Just ask our staff for options.
